Painting is the practice of
applying paint, pigment, color or
other medium to a solid surface
(support base). The medium is
commonly applied to the base
with a brush, but other
implements, such as knives,
sponges, and airbrushes, can be
used. Painting - Wikipedia -
Photography is the science, art,
application and practice of
creating durable images by
recording light or other
electromagnetic radiation, either
electronically by means of an
image sensor, or chemically by
means of a light-sensitive
material such as photographic
film. Photography - Wikipedia -
