primary care medicine
recommendations pdf - A
physician describes the daily
work in his primary care practice
and documents the high volume
of tasks involved in patient care
aside from face-to-face visits. In a
typical day, each doctor saw 18
patients, made 24 telephone calls,
sent 17 e-mail messages, and
reviewed 31 laboratory and
imaging reports and 14
consultation reports. Mon, 05 Dec
