psychology is a theoretical
approach in the social and natural
sciences that examines
psychological structure from a
modern evolutionary perspective.
It seeks to identify which human
psychological traits are evolved
adaptations that is, the
functional products of natural

Adobe Community - William
James (January 11, 1842 -
August 26, 1910) was an
American philosopher and
psychologist, and the first
educator to offer a psychology
course in the United States. James
was one of the leading thinkers of
the late nineteenth century and is
believed by many to be one of the
most influential philosophers the
United States has ever produced,
while others have labeled him the
