sema code of practice pdf - Code  
of Practice for the Design and  
Use of Racking Protection. The  
purpose of this code is to provide  
information on the requirements,  
design and use of frame  
protection and upright protection  
of pallet racking in truck operated  
racking. The document covers  
rack protection and design  
requirements as well as the  
responsibilities of designers,
