Single Womanâ€™s Sassy
Survival Guide - The percent of
unmarried American women is
46.1 for women earning under
\$25,000; 37.9 for women earning
between \$25,000 and \$74,999;
and 33.4 for women earning more
than \$75,000. The trend toward
spending more time single is not
specific to the United States.

- Mandy has done a masterful job
with Beautiful Uncertainty.. I
love her honesty about what truly
happens when we let go and fall

in love with Jesus. Mandy weaves
love through each page of her
book and I think all single and
married women should read it!
