Yo-heave-ho Theory The sounds of a person involved in physical effort could be the source of our language, especially when that physical effort involved several people and had to be coordinated. The importance of yo-heave-ho theory is that it places the development of human language in some SOCIAL CONTEXT. Tue, 08 May 2018 21:03:00 GMT The Study of Language - MU - Cambridge University Press, 2006 - Language Arts & Disciplines - 273 pages 15 Reviews The Study of Language is quite simply the best introduction to the field available
