True Love Waits was created in
1993 with the intention of
encouraging teens to refrain from
premarital sexual activity.
Despite the efforts of TLW most
studies show rates of sexual
activity for teens have remained
relatively steady and that the
majority of teens (including TLW
participants) continue to
participate in premarital sexual
activity. Wed, 09 May 2018

METHODS ... - True Love Waits
True Love Waits is a movement
that many Christian Teenagers
are joining in recent months. The
True Love Waits Commitment is
that a teenager will remain
sexually pure until marriage.

Many teenagers are taking this a
step further by deciding not to
date while in High School, but
rather to commit to Christ and
winning souls for Him. Fri, 11

Love Waits - Barberville - The
theme True Love Waits carries
significant meaning. True love for
God. Obeying Godâ€™s
commandments is a pure way to
show your love for Him. True
love for friends. Sex before
marriage always hurts people. If
you care about your friends and
especially the person you are
dating, you can choose not to hurt
them through sexual misbehavior.
True love for your future mate.

Love Waits is an international
Christian group that promotes

sexual abstinence outside of
marriage for teenagers and
college students. TLW was
created in April, 1993 by the
Southern Baptists, and is
sponsored by LifeWay Christian

conservative Christian views of
human sexuality that require one
to be faithful to one's husband or
wife. True Love Waits -
