Network Effect Martha Wells 2020-05-05
WINNER of the 2021 Hugo, Nebula and Locus

Awards! The first full-length novel in Martha Wells' New York Times and USA Today bestselling Murderbot Diaries series. An Amazon's Best of the Year So Far Pick Named a Best of 2020 Pick for NPR | Book Riot | Polygon "I caught myself rereading my favorite parts... and I can't recommend it enough." — New York Times You know that feeling when you're at work, and

you've had enough of people, and then the boss walks in with yet another job that needs to be done right this second or the world will end, but all you want to do is go home and binge your favorite shows? And you're a sentient murder machine programmed for destruction?

Congratulations, you're Murderbot. Come for the pew-pew space battles, stay for the most relatable A.I. you'll read this century. — I'm usually alone in my head, and that's where 90 plus percent of my problems are. When Murderbot's human associates (not friends, never friends) are captured and another not-friend from its past requires urgent assistance, Murderbot must choose between inertia and drastic action.

Drastic action it is, then. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Old School (Diary of a Wimpy Kid #10) Jeff Kinney 2015-11-03 Life was better in the old days. Or was it? That's the question Greg Heffley is asking as his town voluntarily unplugs and goes electronics-free. But modern life has its conveniences, and Greg isn't cut out for an old-fashioned world. With tension building inside and outside the Heffley home, will Greg find a way to survive? Or is going "old school" just too hard for a kid like Greg?

Gratitude Journal Simple Live 2021-04-18 This journal offers a simple, yet powerful method to improve your focus and build happiness on a daily basis. By investing just a few minutes in a day, you will be taking small steps to integrate

gratitude, focus and happiness towards a fantastic life. Each morning, write what would make today great. At the end of the day reflect on the progress towards your goals. This tool will help you focus in few minutes each day reflecting on: Today, I am grateful for ... How will I make today awesome? Amazing moments of the day... Practicing such mindfulness has been shown to reduce stress, improve attention, show empathy, feel compassion and be joyful. Are you ready to begin the first step towards discovering your full potential? Buy this journal today and get started on your journey of gratitude! This journal would make a great gift for those special ones in your life to get them started on a path of self mastery. Gift this journal to a loved one to help them achieve their dreams.

Andersonville diary J.L. Ransom 2014 One of the most starkly vivid and detailed accounts of survival in Georgia's notorious Andersonville prison during the American Civil War. John Ransom was only 20 years old at the time of his

capture. He kept a nearly daily diary during his year of misery at the Confederate prison. He and his fellow Union prisoners endured lice, starvation, freezing cold, killing heat, theft from other inmates...and Captain Wirtz. "Capt. Wirtz very domineering and abusive. Is afraid to come into camp any more. There are a thousand men in here who would willingly die if they could kill him first." Death was a daily occurrence. Yet Ransom knew if he gave up hope, he would die. He somehow kept his humor and kept on writing. Through two escapes, time in a Rebel hospital, and eventual freedom, you'll read a POW account like none you've ever read before.

Francis Bacon Mark Stevens 2021-03-23 THE TIMES ART BOOK OF THE YEAR Named one of The Irish Times' Books of the Year for 2021 A compelling and comprehensive look at the life and art of Francis Bacon, one of the iconic painters of the twentieth century—from the Pulitzer Prize-winning authors of *de Kooning: An American Master*. This intimate study of the

singularly private, darkly funny, eruptive man and his extraordinary art “is bejeweled with sensuous detail ... the iconoclastic charm of the artist keeps the pages turning” (The Washington Post). “A definitive life of Francis Bacon ... Stevens and Swan are vivid scene setters ... Francis Bacon does justice to the contradictions of both the man and the art.” —The Boston Globe

Francis Bacon created an indelible image of mankind in modern times, and played an outsized role in both twentieth century art and life—from his public emergence with his legendary Triptych 1944 (its images “so unrelievedly awful” that people fled the gallery), to his death in Madrid in 1992. Bacon was a witty free spirit and unabashed homosexual at a time when many others remained closeted, and his exploits were as unforgettable as his images. He moved among the worlds of London's Soho and East End, the literary salons of London and Paris, and the homosexual life of Tangier. Through hundreds of interviews, and extensive new

research, the authors probe Bacon's childhood in Ireland (he earned his father's lasting disdain because his asthma prevented him from hunting); his increasingly open homosexuality; his early design career—never before explored in detail; the formation of his vision; his early failure as an artist; his uneasy relationship with American abstract art; and his improbable late emergence onto the international stage as one of the great visionaries of the twentieth century. In all, Francis Bacon: Revelations gives us a more complete and nuanced--and more international--portrait than ever before of this singularly private, darkly funny, eruptive man and his equally eruptive, extraordinary art. Bacon was not just an influential artist, he helped remake the twentieth-century figure.

Diary of a Wimpy Kid Jeff Kinney 2013-01-01 Love is in the air, but what does that mean for Greg Heffley? A Valentine's Day dance at Greg's school has turned his world upside down. As Greg scrambles to find a date, he's worried he'll be left

out in the cold on the big night. His bestfriend, Rowley, doesn't have any prospects either but that's small consolation. Then an unexpected twist gives Greg a partner for the dance and leaves Rowley the odd man out. But a lot can happen in one night, and in the end, you never know who's going to be lucky in love...

The Rivers Ran Backward Christopher Phillips 2016-04-22 Most Americans imagine the Civil War in terms of clear and defined boundaries of freedom and slavery: a straightforward division between the slave states of Kentucky and Missouri and the free states of Illinois, Indiana, Ohio, and Kansas. However, residents of these western border states, Abraham Lincoln's home region, had far more ambiguous identities-and contested political loyalties-than we commonly assume. In *The Rivers Ran Backward*, Christopher Phillips sheds light on the fluid political cultures of the "Middle Border" states during the Civil War era. Far from forming a fixed and static boundary between the North and South, the border states experienced fierce internal conflicts over their political and social loyalties. White supremacy and widespread support for the existence of slavery pervaded the "free" states of Ohio, Indiana, and Illinois, which had much closer economic and cultural ties to the South, while

those in Kentucky and Missouri held little identification with the South except over slavery. Debates raged at every level, from the individual to the state, in parlors, churches, schools, and public meeting places, among families, neighbors, and friends. Ultimately, the pervasive violence of the Civil War and the cultural politics that raged in its aftermath proved to be the strongest determining factor in shaping these states' regional identities, leaving an indelible imprint on the way in which Americans think of themselves and others in the nation. The Rivers Ran Backward reveals the complex history of the western border states as they struggled with questions of nationalism, racial politics, secession, neutrality, loyalty, and even place-as the Civil War tore the nation, and themselves, apart. In this major work, Phillips shows that the Civil War was more than a conflict pitting the North against the South, but one within the West that permanently reshaped American regions.

The Kashmir Conflict Rakesh Ankit 2016-06-17

This book presents a study of the international dimensions of the Kashmir dispute between India and Pakistan from before its outbreak in October 1947 until the Tashkent Summit in January 1966. By focusing on Kashmir's under-researched transnational dimensions, it represents a

different approach to this intractable territorial conflict. Concentrating on the global context(s) in which the dispute unfolded, it argues that the dispute's evolution was determined by international concerns that existed from before and went beyond the Indian subcontinent. Based on new and diverse official and personal papers across four countries, the book foregrounds the Kashmir dispute in a twin setting of Decolonisation and the Cold War, and investigates the international understanding around it within the imperatives of these two processes. In doing so, it traces Kashmir's journey from being a residual irritant of the British Indian Empire, to becoming a Commonwealth embarrassment and its eventual metamorphosis into a security concern in the Cold War climate(s). A princely state of exceptional geo-strategic location, complex religious composition and unique significance in the context of Indian and Pakistani notions of nation and statehood, Kashmir also complicated

their relations with Britain, the United States, Soviet Union, China, the Commonwealth countries and the Afro-Arab-Asian world. This book is of interest to scholars in the field of Asian History, Cold War History, Decolonisation and South Asian Studies.

Duke's Diary Ken Vail 2002 This is Volume I of a two-volume set that offers a view of the life, times, and career of the legendary Duke Ellington. Following a brief summary of the period prior to 1927, jazz historian and graphic designer Vail presents b&w photographs, newspaper reports, advertisements, reviews, and brief diary-type entries that trace the artist's life, performances and recording sessions month by month from his opening at Harlem's Cotton Club in December 1927 to his orchestra's European tour in 1950. Annotation copyrighted by Book News, Inc., Portland, OR.

Charles Villiers Stanford Paul Rodmell 2017-07-05
The first book devoted to the composer Charles Villiers Stanford (1852-1924) since 1935, this survey provides the fullest account of his life and the most detailed appraisal of his music to date. Renowned in his own lifetime for the rapid rate at which he produced new works, Stanford was also an important conductor and teacher. Paul Rodmell assesses these different roles and considers what Stanford's legacy to British music has been. Born and brought up in Dublin, Stanford studied at Cambridge and was later appointed Professor of Music there. His Irish lineage remained significant to him throughout his life, and this little-studied aspect of his character is examined here in detail for the first time. A man about whom no-one who met him could feel indifferent, Stanford made friends and enemies in equal numbers. Rodmell charts these relationships with people and institutions such as Richter, Parry and the Royal College of Music, and discusses how they influenced Stanford's

career. Perhaps not the most popular of teachers, Stanford nevertheless coached a generation of composers who were to revitalize British music, amongst them Coleridge-Taylor, Ireland, Vaughan-Williams, Holst, Bridge and Howells. While their musical styles may not be obviously indebted to Stanford's, it is clear that, without him, British music of the first half of the twentieth century might have taken a very different course.
